Subject: Restrictions over the word ' SENA ' ( Army ) to any political party or any organization in India.

Respected Sir,

Whenever we used to listen the word SENA, Army is the English name and same meaning in indian language uses SENA. Meaning of these two words is same. We become energized with the spirit of patriotism since from the days of child hood when we used to study in primary school. Since those days till today when we see soldier or military man, we salute him because we feel gratitude for him as he is protecting our Nation, he is fighting at boarder for our protection and sometimes he sacrifice his life for us. This is the height of sacrifice soldier do, with smiling face for the sake of our protection and our safety. Our Great Army has achieved ranking in the world in first 3 big countries. We feel very proud about our Army and Army's achievement. Every citizen of India is having high regards about the pride of Army @ SENA.

Internationally recognized word Army means Sena in India. But some political parties and organization using the word Sena in the name of their political party. For example Karani Sena, Shiv Sena, Maharashtra Nav Nirman Sena, Maratha Sena, Wahatuk Sena/ Transport Sena; and many more organizations using name of SENA in other states. Some times the shameful activities being done by member of these various SENA organization. In the News paper extract it is wrote, so and so SENA member involved in Rape case, involved in mass rights, involved in Murder and other anti national activities. Due to these news paper head lines and TV Channels, the image of SENA @ Army is spoiled and our Nation feel shame. In other countries no private person, any organization, political parties are using the name as ARMY, expect in India.

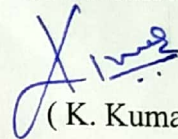

Police word comes under internal protection force. No body can use the title of Police in their organisation's name, Political party's name, name of using Police is prohibited. Likewise SENA @ Army is called as Batalian. External security vested with SENA @ Army and it is internationally recognized. Why not this name SENA shall be protected by the Law and kindly Save the Dignity of our Great Army forces @ Sena.

We appeal to kindly pass the order against using the name of SENA in the name of political parties or any organization in India and obliged.

Thanking you,

Yours Sincerely,

  
( K. Kumar )
