Subject: Treat **War against Nation**, throwing Stone & mass attack on Soldiers in J&K & hosting Pakistani flag in India & other part of country.

Respected Sir,

Sare Jahan Se Acchaa Hindustan Hamara, Gulsita Hamara, Mera Bharat Mahan, Apana Desh Badal Raha Hai, Jan Gan Man Adhinayak Jai He, Vande Mataram, Bharat Mata Ki Jai ! these slogans are tilting in the ear years together and whenever we used to listen these slogans, we become energized with the spirit of patriotism since from the days of child hood when we used to study in primary school. Since those days till today when we see soldier or military man, we salute him because we feel gratitude for him as he live aloof from his own family, he is fighting at boarder for our protection and sometimes he sacrifice his life for us. His parents, wife and children become alone. This is the height of sacrifice soldier do, with smiling face for the sake of our protection and our safety. On the other hand the citizens of Jammu Kashmir are making group and with exact planning they do horrible stone throwing on our military, para military force, boarder security force and doing and mass attacks on our Army. This is ridiculous. This is shameful act. Some of our political leaders pronounce in their speech that the youth of Jammu & Kashmir who throw stones on our army they are our people only, they are son of India, but they have been misguided, mis led by the hard core religious forces and external

forces. What is the logic behind this theory! Is it tenable to real Indian! Is it digestible to the patriotic citizens of India who respect the soldiers and army. The answer will be No, this is not at all tenable, not at all logical. Now it is proved that the stone throwing militants groups are getting handsome funds from Pakistan. The Pakistani soldier attacks on Indian military because he is paid by the Pakistan Govt. It means the militant groups of J & K get funds from Pakistan and they throw stones on Indian Army, BSF and para military force of India. Govt. has to do special law and pass an ordinance that the activity of mass attacks like throwing stones in group on soldiers has to be treated as WAR AGAINST NATION and hard punishment should be imposed on these type of stone throwing groups and mass attacks. No sympathy should be shown to them and immediate action to be taken against them likewise enemy forces of Nation.

It is the practice in J & K that on every Friday after concluding the Namaz, there is flag hosting of Pakistan. As per prevailing rules, this is against the Nation. How our Govt. can tolerate this. Why the action is not being taken against those Masjid and Mullahs and Maulavi who provoke so called Indian citizen youth to display flag of Pakistan on dome of Masjid. If the new Ordinance pass in the house, these type of anti national activities shall be banned for ever and this act of hosting Pakistan flag shall be treated as War against Nation.

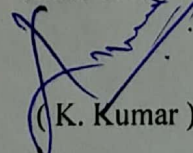

When we see video clips of stone throwing on soldiers in J & K on social media and T.V., we feel very bad. When Muslims of other States are giving respect to Military why the Muslims of J & K only are throwing stones on soldiers. Few Muslims of J & K are not doing representation of entire Muslims or the citizens of India. Then why the Govt. not taking stern action against the stone throwing militants group of J & K and why not making strict law against all this.

Another impact of showing video clips of stone throwing on social media and T.V. is spoiling image of our country before entire world, because other countries are also observing the video clips of stone throwing by youths of J & K on military forces. This cause to loose morale of the Indian Army.

We appeal on behalf of all the India citizen who pay heartiest respect to soldiers of our country before your good self to kindly pass comprehensive ordinance against the Stone throwing practice and mass attack on military, para military and BSF and the act of hosting flat of Pakistan and against the anti national activities and save this country and dignity of our Nation and Indian soldiers.

Thanking you,

Yours Sincerely,

(K. Kumar)
